

Dear Parents

Well done to you all for surviving this wintry snap. What a couple of days we all had. Some without power, some stranded inside and to that avail, we are all glad to be back to normal. What it did demonstrate was true team work by our staff across the Federation. 'Everyone pulled together to make sure your children stayed warm and safe throughout.
Thank you all again.

Termly Learning Conferences

Our schools were buzzing this week with you all. This is such a fantastic opportunity for you to discuss your child's progress with them and sharing their experiences first had. Again, thank you for taking the time to come in and hope you all found it as rewarding as the staff did.

Star of the Week Award

Hillhead	- Xenia H
Dunwell	- Luca C
Ennaton	- Will B
Ladywell	- Holly F
Earlscombe	- Marcus H

Congratulations to Marcus H for passing his grade 1 Drums, with distinction , well done to you all.

Grenville House

A reminder to all Year 4 parents opting to pay for the Grenville House residential in instalments, that February's payment is due by the end of this month. Please note that all monies must be paid by May and, if it is easier, you can send in post-dated cheques for each month. Thank you.

DTC – September 2018

Advance notice for Year 5 parents that your children will have the opportunity to take part in the annual Dartmoor Training Centre residential in September. We are working on the itinerary and costings and hope to be able to offer a payment plan. Watch this space for further information.

Dewerstone Trip

Please don't forget to try and make it to our Parent meeting Tues 13 March 3.45pm at Ugborough Primary School. Mrs Vosper will be on hand to talk you through the trip.

Visitors –

Please can you all take time this weekend to do a quick check that your children aren't hosting a lovely nice warm place for those well-known chaps to breed?

Treat with whatever works for you but please do take time to check.

Young Devon Art Competition

Due to the adverse weather conditions, this amazing event was postponed. We can now announce that the new date is

Friday 11 May.

External News

Please take time to scroll through the information below. We seem to have been somewhat inundated with events all around us.

A reminder that Ivybridge Library has launched a free Poetry competition for primary schools in the Ivybridge area supported by The Friends of Ivybridge Library.

Water seems to be a constant subject currently so the theme is "Beside the River". We would like to have poems from 2 groups, Keystage 1 and Keystage 2. There will be 1st, 2nd and 3rd prizes in each group.

The poems can be of any style or length the poet chooses, but has to be their own work with appropriate support from teaching staff.

We can confirm that Tony Rea and his wife will judge them. They have both been in education and Tony is a respected local writer. The prizes will be presented on Saturday April 7th on our anniversary fun day. The completed poems will have to be submitted in paper format by March 22nd to The Poetry Competition, The Ivybridge Library, Erme Ct, Leonards Rd, Ivybridge PL21 0SZ. Further details will be posted on the Friends of Ivybridge Library Facebook page or contact The Ivybridge Library.

We look forward to seeing some creative entries and thank you for your support.

ESS Seed Swap on 10th March, 10-12pm at the Reading Rooms Ermington:

As well as the usual lovely local produce, this Saturday will be an opportunity for you to come and swap seeds and seedlings so here is what you need to do:

Come with:

- Spare seeds you would like to swap - please make sure they are not too old and will still germinate
- Spare seedlings you have that you would like to exchange
- A bag big enough to fill with your swaps and purchases

You will also be able to plant a sunflower seed to take away with you!

What would you like to see in the Outside Space around the School?

Please complete a questionnaire to let us know – copies available from the school office, with a copy to view in the playground noticeboard. If you have any questions please contact Mrs Wooding (Gardening Club) for further information.

Guided Tour

Violet Pinwill, Wood Carvings

St Peter & St Paul Church Street, Ermington, Devon, PL21 9NJ

Saturday 14th April 2018

Tours Start at 10.30am, 11.30am and 12.30pm

Violet Pinwill was a major force in woodcarving in Victorian Devon. Based in Ermington, near Ivybridge, Violet and her sisters produced beautiful work across Devon and Cornwall.

St Peter & St Paul, Ermington has an unrivalled body of Violet Pinwill's work, including her first piece for the church carved when she was just 17 years old in 1890 - to her final piece, the World War II memorial plaque, carved over half a century later.

This guided tour of St Peter & St Paul, Ermington will celebrate her career, tell her unique story and explain her beautiful woodcarvings.

Led by local architect, Grant Elliott, the tour will last 30 minutes and is free of charge, with donations much appreciated. Violet Pinwill guide booklets will be on sale, plus fresh coffee and tea, homemade biscuits and produce. Proceeds will go towards the restoration of the World War I War Memorial Clock.

Grant Elliott is an Associate Architect at LHC Architecture. He is a member of the Institute of Historic Building Conservation, is advised on the RIBA Conservation Register and is registered with the Diocese of Exeter as an inspector authorised to carry out Quinquennial Inspections. He is the author of the booklet *Violet Pinwill, Woodcarver - A Guide to her woodcarving in St Peter & St Paul, Ermington, Devon: The Battle of Loos 25 September - 18 October 1915, and Ermington and the South African War 1896-1902.*

Lent Plastic Challenge

<p>For Anglicans Lent is the time when we remember the 40 days that Jesus spent in the wilderness, facing challenge and temptation. It is a time when we reflect on God's purpose for our life. This year we challenge you to give up single-use plastics – to reduce the actions which damage God's Creation.</p> <p>Over 8.8 billion tonnes of plastic have been produced since the 1950s. That's enough plastic to cover every inch of the UK twice-deep more than ten times over. Just 9% was recycled.</p> <p>To strive to safeguard the integrity of creation and sustain and renew the life of the earth! The Anglican Communion's Fifth Mark of Mission.</p> <p>Share your journey with others on the Plastic Free Lent Facebook Group</p>		<p>14 Ash Wednesday Isaiah 24:6-5</p> <p>The earth dries up and withers, the world languishes and withers, the heavens languish together with the earth. The earth lies polluted under its inhabitants...</p>	<p>15 Give up disposable cups & drinks in plastic bottles</p> <p>Carry a travel mug or water bottle. Get a reusable bottle, fill it up with tap water before leaving the house, and refill it wherever you happen to be.</p>	<p>16 Bring your own reusable bags</p> <p>Plastic bags and produce bags in particular are often used for minutes before being discarded. Most plastic bags are not recycled, ending up in landfill.</p>	<p>17 Carry your own non-plastic cutlery</p> <p>Plastic disposable cutlery and straws are among the worst plastic pollution culprits. Get in the habit of carrying your own cutlery with you and leaving a set in the car.</p>
<p>19 Buy in bulk to minimise or eliminate packaging</p> <p>This goes for food and drink as well as cleaning supplies, toiletries, hardware items – anything that may come in plastic packaging.</p> <p>By 2025 we could have more plastic than fish (by weight) in the sea.</p>	<p>20 Avoid overpackaged, processed, canned and frozen convenience food</p> <p>Stay clear of the three tomatoes sitting on a Styrofoam tray and covered in plastic cellophane.</p>	<p>21 Buy fresh bread that comes in either paper bags or no bags</p> <p>This eliminates plastic wrapping waste from shop bought bread and you help support local businesses.</p>	<p>22 Choose milk in returnable glass bottles</p> <p>Many areas have local dairies that provides milk in returnable glass bottles rather than plastic or plastic-coated cardboard.</p>	<p>23 Use non-plastic containers for food-lunches, leftovers, freezing, storage, take-out, travelling... Request takeaways use your container instead of their disposable one. Take a container when you buy meat, fish or cheese.</p>	<p>24 Shop at markets</p> <p>Fresh food markets are not only often cheaper and fresher than supermarkets but they sell fruit and vegetables loose. Don't forget to take your reusable bags.</p>
	<p>25 Look around your bathroom and see what plastics you can replace</p> <p>Do you have plastic bottles sitting in the shower? Find a brand you like and try and get it in bulk, if it's not available in bulk – ask the manufacturer to offer it.</p>	<p>27 Use a razor with removable blades</p> <p>Disposable razors and razor blades are two of the biggest contributors to plastic waste.</p>	<p>28 Check labels of toiletries</p> <p>Did you know some facial scrubs & toiletries products contain tiny plastic beads? Avoid anything with "polyethylene" listed as an ingredient.</p>	<p>1 Use a bamboo toothbrush or a toothbrush with recyclable heads</p> <p>and try to find dental floss that doesn't come in plastic packaging.</p>	<p>2 Use bar soap instead of liquid hand soap</p> <p>This is an easy change to make, if you are feeling keen you can even make your own soap bars.</p>
<p>5 Look around your kitchen and see what plastics you can replace</p> <p>Use a dish brush with a wooden handle and compostable bristles.</p> <p>Consider organising a community litter pick.</p>	<p>6 Use natural cleaning cloths instead of plastic</p> <p>8 synthetic sponges (Compressed natural cellulose sponges are often sold without any plastic packaging).</p>	<p>7 Use a blender made of glass</p> <p>If you find yourself needing to purchase a new blender in the future, try and go for a glass alternative if possible.</p>	<p>8 Buy glass and/or stainless steel containers for food storage</p> <p>Glass works well for freezer storage as well, just ensure you leave room at the top of the jar.</p>	<p>9 Avoid foil wrapped chips and chocolate</p> <p>Some sweet wrappers are now recyclable but don't forget to check.</p>	<p>10 Share your leftovers or unwanted food</p> <p>Reduce waste by joining a food sharing network like Olio.</p>
<p>11 Choose natural fibres</p> <p>Synthetic fabrics create microfibres pollution when washed. When buying new clothes look for organic cotton, wool, and other natural fibres.</p> <p>Do you use disposable cups at church? Can you encourage people to bring their own mug?</p>	<p>12 Alter and Modify Old Shoes and Clothing into New</p> <p>Do you have old clothes and shoes that you never wear because they don't fit or are out of style? Take them to a tailor or cobbler for alteration.</p>	<p>14 Buy clothing second-hand</p> <p>Buying clothes second hand not only saves you money but ensures that the second hand clothes you purchase have an extra long lease of life.</p>	<p>15 Do a clothes swap</p> <p>Look online for local events or get advice on how to set up your own. Take a look at sites like Get Switching.</p>	<p>16 Invest in quality</p> <p>By doing this you are minimising the demand for cheap items that end up in landfill. In the long run it will save you money.</p>	<p>17 Request two plastic packaging</p> <p>If you're buying clothes online ask the retailer if they can reduce or remove plastic packaging.</p>
<p>19 Put a "No Junk Mail" sticker on your letterbox</p> <p>This will reduce the number of letters with plastic windows. It will also reduce your paper waste.</p>	<p>20 Make it from scratch</p> <p>Try and cook as much as possible from scratch and take your own sandwiches and snacks when you go out.</p>	<p>21 Avoid wet wipes</p> <p>These contain plastic fibres so don't break down like toilet roll, despite often being described as flushable.</p>	<p>22 Acquire necessary plastic items used instead of new</p> <p>Check second-hand shops, Facebook or Freecycle. Look for sharing groups locally.</p>	<p>23 Buy second-hand plastic-free furniture</p> <p>There's lots of advice about repairing, upcycling and finding good wooden or metal furniture online.</p>	<p>24 Don't buy new CDs and DVDs</p> <p>Stream or download music, shows, and films online or borrow them from the library or friends.</p>
<p>25 Avoid plastic pens and giveaways</p> <p>Try using a refillable fountain pen or pencil.</p> <p>To act justly and to love mercy and to walk humbly with your God.</p>	<p>27 Bring your own toiletries</p> <p>Skip the free travel size shampoos, soaps, and lotions offered by hotels. Instead, fill up your own reusable travel-size containers at home.</p>	<p>28 Avoid the Mini bar snacks and drinks</p> <p>Not only incredibly expensive but they all come in plastic packages or bottles. Even if you can't avoid plastic entirely, you can resist single-serving ones.</p>	<p>29 What letting changes are you going to make?</p> <p>Do you find yourself looking at plastics in a different way? List three things you are going to commit to changing.</p>	<p>Make your voice heard:</p> <p>Share what you are doing with friends, family and community. Ask your MP what they are doing to tackle single use plastics. Join the UK's Plastic Free campaign and Greenpeace's Plastic Pledge. Find out your own plastic footprint. Call on supermarkets for a Plastic Free Pledge.</p> <p>We hope this challenge has made you more aware of your plastic use and helped you create some lasting changes.</p>

Easter Holidays 2018

@ Stover School

Tues 3rd - Fri 6th April, Mon 9th - Fri 13th April

We want to offer your children the most action packed, fun and inspiring programmes we possibly can. We will endeavour to keep them fit, healthy and away from screens by providing them with exciting days of multi sports and outdoor, adventurous activities during their school holidays.

We want to help them develop their confidence and abilities across a wide range of different activities and discover which sports they really enjoy.

Our staff are carefully chosen and hold either a sports coaching degree, a teaching degree or are a minimum Level 2 professional sports coach. We believe this ensures our team have the right experience to act as positive role models, promoting purposeful and active, sport filled lives.
